

Merch Performance Recommends AMSOIL

*Quality Performance Engines
Need a Quality Performance Oil.*

Their motto is
"Uncompromising
Quality/Unparalleled
Performance" That's
why Merch Performance
V-Twin Engines
recommends AMSOIL
Synthetic 20W-50 Motor Oil
to its loyal fans and customers.

The Merch 131 cubic inch
engine (4.25" bore with
4⁵/₈" stroke) produces
150 foot pounds of torque
and 140 horsepower to
the rear wheel. Serious
bikers need a serious motor
oil. AMSOIL Synthetic Motorcycle
Engine Oil provides tough lubricating
protection for the most demanding operations.
Ride hard, run cool with AMSOIL.
